My dear Mr Farmer

My last letter to you, enclosing a note for Phips & Hodgate Co, and my life Certificate, left here on the 3rd, I said as I have not since from you since, I begin to fear that either my letter, or yours has miscarried.

Forgive my troubling you so often, and with my Kindest regards to all

Believe me to remain

Yours very sincerely

Tommy Lista de Llamas

H. Buxton Farmer Esqre.
